Under Code of Federal Register regulations 42 CFR 73 update 05 October, 2012 the following description is used for determination of the legitimacy of the end user;

(i) The amounts are transferred only after the transferor uses due diligence and documents that the recipient has a legitimate need (*i.e.*, reasonably justified by a prophylactic, protective, bona fide research, or other peaceful purpose) to handle or use such toxins.

Additionally, Metabiologics is bound under the same regulations by the following;

(ii) Reports to CDC if they detect a known or suspected violation of Federal law or become aware of suspicious activity related to a toxin listed in this part.
